## BRIEF HISTORY OF THE UNIVERSITY

CUMBERLAND UNIVERSITY, organized in 1842 at Lebanon, Tennessee, was appropriately named, for the country in which it was established was known in the early days of its history as the Cumberland Country, a territory lying partly in Tennessee and partly in Kentucky. Lebanon is in the heart of the Cumberland Country, being situated only six miles from the Cumberland River. A few miles to the east are the Cumberland Mountains. It is said that the mountains and the river were named for the famous Duke of Cumberland, William Augustus, the third son of George II.

One of the oldest universities in the Central South, Cumberland has made a significant contribution of distinguished leadership to the South and to the nation. The men who founded Cumberland—Judge Robert Looney Caruthers, the Reverend George Donnell, and others—were zealous in evangelism and were leaders in church and state. Early graduates of Cumberland founded several colleges, organized many churches, and helped in laying the foundations of some great western states.

A Law Department was added to the academic school on October 1, 1847, a School of Engineering in 1852, a Theological School in 1854, and a School of Music in 1903. A School of Business Administration and a School of Aeronautics were organized in 1940 and 1941. Although all schools except the School of Law have been discontinued, the traditional name of Cumberland University has not been changed. The College of Arts and Science, which was closed in the spring of 1951, will reopen its doors in September, 1956, to admit a freshman class and will continue to stress the pioneer spirit of constructive thinking and acting that has made Cumberland a famous name in education.

For almost a century Cumberland was operated under the auspices of the Presbyterian Church—first, under the Cumberland Presbyterian Church, and, later on, under the Presbyterian Church U.S.A. For some time prior to 1946, however, the latter body had withdrawn all financial support, and Cumberland had operated, for all practical purposes, as an independent institution.

Early in 1946 control of the University was transferred by an amendment to the Charter to the Tennessee Baptist Convention, who operated the school until 1951. In the spring of that year the Tennes-

see Baptists came into possession of Ward-Belmont College in Nashville, Tennessee, and relocated there to open what is now known as Belmont College.

In May, 1951, the former Board of Trustees who had held control of the University prior to 1946 secured another amendment to the Charter which re-established Cumberland as a private, independent corporation, established "for the general welfare, and not for profit."

### BRIEF HISTORY OF THE SCHOOL OF LAW

The School of Law was established in Cumberland University, October 1, 1847, as a result of the action of the Board of Trustees taken on February 22, 1847. When the Law School opened, the course of study comprised two years of law without any definite pre-legal requirements. In 1871 the course of study was reduced to one year; this plan was continued till 1935, with major emphasis on the textbook plan of study. In 1935 a second year was added, emphasizing the case method of study. On July 10, 1946, the two-year plan was officially closed. Beginning in September, 1946, the requirements of the School of Law were established as follows: (1) two years of pre-legal college work with a minimum of 96 quarter hours; (2) three years of full-time study of law. In September, 1952, the pre-legal college work requirement was increased to three years.

The School of Law, as it is now constituted, requires three years as a minimum of pre-legal study and three years of study in the School of Law as a requirement for the degree of Bachelor of Laws. Every phase of the work in the School of Law has been set up on a standard basis.

In February, 1949, the School of Law of Cumberland University was approved by the American Bar Association, provisional approval having been granted at that time. Full approval was granted by the American Bar Association in September of 1952. In November of 1952 the School was registered by the Board of Regents of the State of New York. In December of 1952 the school was granted membership in the Association of American Law Schools. This gained for the school every recognition possible for an American law school.

### THE UNIVERSITY TODAY

Today Cumberland University looks hopefully towards the future. Its School of Law was returned on January 3, 1956, from Memorial

Hall to its historic home in Caruthers Hall on the West Main Campus. Its faculty and administration are securely settled in the Cordell Hull Memorial Building. Its student body is increasing, and its facilities and sources are expanding.

On the Main Campus, Memorial Hall is being readied for the re-opening of the College in September, 1956, and its administration are busy with plans for the new faculty and freshman class. Alumni and friends of the University are responding with financial help and loyal support, all interested in seeing the College flourish anew.

## ORGANIZATION AND CONTROL

Since 1951 Cumberland University has been controlled by a self-perpetuating Board of Trustees comprised of distinguished civic, business, professional, and educational leaders. Cumberland exists as a non-profit institution constituted solely for the purpose of imparting sound learning in an atmosphere pervaded by the principles of Christianity, good citizenship, and the love of freedom and democracy. The Board of Trustees elect the President of the University, and upon the nomination by the President, appoint the faculty and staff members of the College and the School of Law. The relationship among the controlling Board and the administration and faculty is marked by unity of purpose and consistent co-operation.

Since 1847, the School of Law has awarded 7,997 degrees of Bachelor of Laws, as of February, 1956. These alumni are to be found in all 48 states of the Union, the District of Columbia, Hawaii, Alaska, the Philippines, the Canal Zone, and Puerto Rico. Cumberland law graduates have also come from such foreign countries as Canada, Cuba, Egypt, Japan, Korea, and Mexico, and many of them have occupied distinguished positions of high responsibility in education, government, and business.

Among its nearly 8,000 alumni, over 4,000 of whom are now living, the School of Law can list 9 governors, two U.S. Supreme Court justices, a secretary of state of the United States, 9 U.S. senators, numerous U.S. representatives, supreme court justices of the various states, federal district and appellate judges, state appellate judges, states attorneys general, lieutenant governors, U.S. and state district attorneys, diplomatic officials, college presidents, law professors, distinguished legal writers and scholars, administrative officials of

the U.S. and state governments, and a countless number of outstanding practitioners, corporate heads, circuit judges, chancellors, members of state legislatures, county judges, and other county and municipal officials.

Through the years, the School of Law has been regularly staffed with many brilliant legal scholars—distinguished men like Abraham Caruthers (author of *Caruthers' History of a Lawsuit*), Dr. Andrew C. Martin, Nathan Green, Sr., Nathan Green, Jr., Grafton Green, A. B. Neil, Sam B. Gilreath (revisor of *History of a Lawsuit* and editorial consultant for the new Tennessee Code), and many other outstanding leaders of the profession.

## LOCATION

The city of Lebanon, in which Cumberland University is located, is thirty miles east of Nashville, in a beautiful section of Tennessee. Two of the nation's busiest north-south, east-west highways—U.S. 70 N and U.S. 231—intersect in Lebanon, and its splendid bus, rail, and air (at nearby Donelson) transportation facilities make it readily accessible from all points in the country.

The suburban aspect of Cumberland's location gives it unique advantages, insofar as it combines the benefits of a great metropolitan area, with its many educational, recreational, and cultural features, and the quiet leisurely paced environment of a small town for undisturbed study and relaxation. In Nashville are many opportunities, for example, for study of the processes of government on all levels—city, county, state, and federal. In Lebanon, the local courts are always open to Cumberland students.

The Middle Tennessee section surrounding Lebanon offers unusual recreational and scenic prospects—the Old Hickory Reservoir, the Cedars of Lebanon Park, and the Hermitage—that attract national interest. The climate is mild, moreover, with four distinct seasons a year, without excessively severe extremes in any season. It makes an ideal atmosphere for study and play.

## THE MAIN CAMPUS

There are two campuses at Cumberland—the West Main, or Law Campus (Caruthers Hall and the Hull Building), and the larger fifty-acre Main Campus, the traditional seat of the University. On

the Main Campus are Memorial Hall, Gymnasium, Bone Hall, Tennessee College Hall, Hereford House, the Brick Apartments, the Brown Cottage, Rice Observatory, and Vetropolis (housing units for married students).

## THE LAW CAMPUS

Separated by three city blocks from the Main Campus of the University, the Law, or West Main, Campus consists of two buildings situated on West Main Street in Lebanon.

Caruthers Hall, a sturdy brick structure erected in 1877, contains the Cordell Hull Law Library, which occupies three large rooms on the first floor, the classrooms, and moot court room. A large auditorium takes up the entire second floor. The architecture of the building is patterned after that of Independence Hall in Philadelphia.

The Cordell Hull Building, an enormous Victorian brick mansion adjacent to Caruthers Hall, was acquired in the summer of 1955 by the University and is used now as the administration building for the dean and law faculty. The Hull Building provides private offices for the faculty, the dean, and their secretary. The large lot behind the building has been developed into parking space for students and faculty.

## THE CORDELL HULL LIBRARY

The Law Library, containing a collection of over 20,600 volumes, is located in Caruthers Hall. The collection is so arranged as to permit the student direct access to the entire collection. The library is kept up-to-date by the constant addition of new books as published, current legal periodicals and loose-leaf services. The library is staffed by trained personnel and is open every day in the week, Sundays excepted.

All of the published opinions of the courts of last resort of all the States of the United States, together with the reports of all the Federal Courts, and the intermediate Appellate Courts of the State of New York are found in the library. It also contains over fifty complete sets of the leading legal periodicals, kept up-to-date, and current volumes of many other legal periodicals. It also contains Federal and State codes, statutory materials, treatises and textbooks. Special mention may also be made of the National Reporter and Digest Sys-

tems, Corpus Juris, Corpus Juris Secundum, Ruling Case Law, American Jurisprudence, L. R. A., both original and new series, American Law Reports, Federal Cases, United States Reports, American Reports, American Decisions, American State Reports, English Ruling Cases, and British Ruling Cases, besides a great collection of other standard law books. The library has the English Reprint and later cases as published and The Statutes Revised to date.

### ACCREDITATION

The School of Law is fully approved by all national and state accrediting agencies. It is a member of the Association of American Law Schools and is fully approved by the American Bar Association through its Section of Legal Education. The school is also approved by the Board of Regents of the University of the State of New York. Because of such approval a graduate of the School of Law is eligible to take the bar examination in any State in the Union. The School is also approved by the Tennessee State Department of Education for veterans training.

### THE GREEN CHAIR OF LAW

In 1948 the Green Chair of Law was established in connection with the Second Century Program of development of the University. This endowed Chair was named in honor of three men who rendered distinguished service to Cumberland University and to the State of Tennessee. These were Nathan Green; his son, Nathan Green, Junior; and the latter's son, Grafton Green. Nathan Green and Nathan Green, Junior, were professors in the School of Law. Grafton Green was an alumnus of the University, and took time from his arduous duties as Chief Justice of the Supreme Court of Tennessee to serve as special lecturer in the School of Law.

By action of the Board of Trustees in January 1950, Judge Sam B. Gilreath was appointed Green Professor of Law. Judge Gilreath, a professor of law since 1932, is the first to receive the honor of appointment to Green Chair of Law.

### LEGAL FRATERNITY

Chapters of two national legal fraternities have been established at the School of Law:

*Grafton Green Senate of Delta Theta Phi*  
*Cordell Hull Chapter of Phi Alpha Delta*

The purpose of these fraternities is to unite fraternally congenial students of law, to promote thorough legal scholarship, and to form a strong link between the Law School, the students, the alumni, and members of the legal profession in general.

### **DAMES CLUB**

The Dames Club is composed of wives of the faculty and students of the School of Law. The purpose of the club is to promote a friendly relationship among the students, faculty, and their families.

### **STUDENT BAR ASSOCIATION**

The Student Bar Association is the foundation of the student organization for the School of Law. It is comprised of officers elected by the student body and representatives elected by the different classes. Its purpose is to foster and promote student and school activities which tend to increase school spirit and work benefits for the student body and the University.

# ADMISSION REQUIREMENTS

## APPLICATION FOR ADMISSION

Application for admission is made upon an Official Application Form. A non-refundable fee of \$2.00 and a recent photograph of the applicant must accompany the application. All admission forms and information may be obtained from the Dean or Registrar and should be returned to the Dean.

**ADMISSION PROCEDURE.** Each applicant will provide the Dean with (1) an Official Application Form (all information requested—including two character references—must be completed) with the accompanying \$2.00 fee, (2) a recent photograph of the applicant, and (3) an official transcript from each college the student has previously attended.

**ADVANCED REGISTRATION FEE.** When the applicant has been approved for admission by the Dean, he will pay a deposit of \$10.00 to the University Business Manager as an Advanced Registration Fee. This deposit is non-refundable, but it will be credited to the registrant's first-quarter's tuition charges.

## PREVIOUS EDUCATIONAL REQUIREMENTS

The Law School requires for admission the completion of at least three-fourths of the work acceptable for a bachelor's degree at an approved college or university, with a scholastic average, based on all work undertaken, at least equal to the quality of work required for graduation in the institution attended.

In practical terms, 90 semester or 135 quarter hours of credit are required. Credit earned in non-theory courses in hygiene, domestic arts, physical education, practice teaching, teaching methods and techniques, are not acceptable, except "required" non-theory work is acceptable up to ten per cent of the total credit offered for admission. All work must have been taken in residence—not by correspondence—unless the applicant possesses the bachelor's degree.

## COMBINED DEGREE PROGRAMS

Students with three years of college work may be granted a B.S. or an A.B. degree by their undergraduate college or university upon completion of one year of law school work in a fully approved School of Law. The pre-law work required under a combined curricula pro-

gram is dependent upon the standards set by the institution granting the B.S. or A.B. degree. Usually the first year of law work is treated as completing the student's program of elective subjects. Generally this means that before entering law school a student must meet the peculiar degree requirements of the institution granting the degree, including the completion of sufficient work in a major field of concentration. Therefore a pre-law student should seek the advice of his pre-law advisor or academic dean regarding this program. Normally there are a number of students enrolled in the School of Law under such combined degree program.

## TRANSFER STUDENTS

Students with advanced standing from an approved law school are eligible for admission if they are entitled to readmission to their former school and can produce written statements to that effect from the dean of the law school previously attended.

Students offering transfer credit from unapproved schools can not be accepted.

## TRANSFERRED CREDIT

Credit for work completed in another law school will be evaluated by the Dean of the School of Law. As a general rule, he will allow full credit for all work completed in an approved school with a grade of C (or its equivalent) or better. At his discretion he may grant credit for other work in which a passing grade was received, so long as the over-all average of all work accepted does not fall below a C grade or the equivalent.

## SPECIAL STUDENTS

Exceptional students with less than the college credit required for admission may be admitted provided they are 23 years of age and evince the experience, maturity, and training necessary for them to engage successfully in the study of law. It should be pointed out, however, that admission to the Law School as a special student does not circumvent or set aside other educational requirements enforced by the various state boards of law examiners.

## CREDIT FOR EXTENSION OR CORRESPONDENCE STUDY

Under certain conditions undergraduate courses earned in extension schools may be acceptable at full value towards meeting the pre-law requirements outlined above. Such off-campus work must have been done in an extension division or center of an approved college, and it must have been done in a class meeting in regular session each week under the personal supervision and instruction of a member of the instructional staff of an approved college.

Under the rules of the accrediting agencies no approved law school can accept credits earned in correspondence courses, unless the applicant possesses a bachelor's degree.

## CHARACTER REFERENCE

Two character references are required with the application for admission, and in addition each student accepted must complete a Questionnaire required by the Tennessee Board of Law Examiners of all students attending law schools located in Tennessee.

## UNCLASSIFIED STUDENTS

Members of the Bar may be admitted to the School of Law as unclassified students. Credit is not allowed for courses taken by unclassified students.

## PRE-LEGAL COURSE OF STUDY

There is no rigidly prescribed list of subjects which must be taken during the years of collegiate work. The lawyer's range of knowledge should be as broad as it is feasible to make it since the law, in its application and as a subject of study, touches so many phases of life. Pre-law work in the following fields is recommended: English, history, science, mathematics, foreign language, political science and government, philosophy, economics, and accounting. The hours offered by the applicant shall be exclusive of non-theory courses in military science, practice teaching, physical education, hygiene, and music. "Required" non-theory work is acceptable up to ten per cent of the total credit offered for admission.

## REGISTRATION FOR BAR EXAMINATION

Many states require that a student, prior to or shortly after beginning the study of law, register with the board of bar examiners of the state if he intends to practice therein. Each student should learn the requirements from the secretary of the board of bar examiners of the state in which he plans to practice.

The Board of Bar Examiners of the State of Tennessee requires that every student entering a school of law in the State, regardless of whatever state in which the student may reside, register his name with the board prior to or shortly after entering school.

## EXPENSES AND FINANCIAL AID

## GENERAL FEES

**FULL-TIME STUDENTS.** A Tuitional Fee of \$360.00 for the academic year of nine months, or of \$120.00 per quarter, is charged of all regular students. This fee covers the student's cost of instruction for a normal study program of 10 to 15 hours, inclusive, provided the student registers and pays his fees promptly at the scheduled time. A Matriculation Fee of \$22.50 per year, or \$7.50 per quarter, a Student Activity Fee of \$22.50 per year, or \$7.50 per quarter, and a Library Fee of \$15.00 per year, or \$5.00 per quarter, are also paid by every student, whether he is full-time or part-time.

**PART-TIME STUDENTS.** Students classified by the Dean as part-time students—those taking less than 10 hours of course work each quarter—will be charged a Tuitional Fee at the rate of \$13.00 per quarter hour of instruction received. Part-time students will pay all other appropriate fees in the same manner as full-time students.

**SPECIAL STUDENTS.** Students classified by the Dean as special students will pay Tuitional Fees equivalent to their credit load; if registered for less than 10 hours, they will be considered as part-time students; if registered for 10 to 15 hours, inclusive, they will be considered as full-time.

### SUMMARY OF GENERAL ACADEMIC FEES

	<i>Per Quarter</i>	<i>Per Year</i>
Tuition .....	\$120.00	\$360.00
Matriculation .....	7.50	22.50
Student Activity .....	7.50	22.50
Library .....	5.00	15.00
Total .....	<hr/> \$140.00	<hr/> \$420.00

### SUMMARY OF INCIDENTAL FEES

In summary form below is given a complete listing of certain incidental fees that are charged of students whenever such fees become applicable:

Application Fee ..... \$2.00 non-refundable, paid only  
once at time of initial application.

Advanced Registration Fee	\$10.00, non-refundable, but applicable, paid only once at time applicant is approved for admission.
Room-Key Deposit	\$6.00, refundable, paid only once at time of application.
Late Registration Fee	\$2.00 per day every quarter.
Deferred Payment Fee	\$5.00 every quarter.
Over-load Fee	\$1.00 when applicable.
(All course work in excess of 15 hours will be charged at the rate of \$13.00 per quarter hour.)	
Graduation Fee	\$10.00 paid only once in last quarter's residence.

## METHOD OF PAYMENT OF FEES

All fees charged to students are due at the time of registration at the beginning of each quarter. Payments may be made in cash or by check to Cumberland University through the Business Manager. All fees will be paid in full, or arrangement will be made with the Business Manager for deferred payment, before the student will be permitted to enter classes of instruction.

## DEFERRED PAYMENT

Students who desire to make payments of Law School fees in regular installments, or who must make late payments of any kind, should request permission in advance of registration from the Business Manager for deferred payment privileges. When such permission is granted, students are required by the Business Manager to sign promissory notes for the balance of their obligation. Each student settles his financial account with the University before he obtains a transfer of credits, or is certified in regard to eligibility to take the bar examination, or is allowed to receive his degree.

Since the University must make financial commitments to its various departments for an entire year in advance, it is imperative that no academic fees be refunded after the close of the registration period (one week after the announced registration date) each quarter. Students who are forced to withdraw because of prolonged illness or emergency may apply the unused balance of their academic fees towards the first assessment of fees upon their return to school.

## FINANCIAL AID

### SCHOLARSHIPS

**THE SARA HILLMAN FRAZIER SCHOLARSHIP.** This scholarship, in the principal sum of \$5,000, was established to assist women students in the School of Law. The income is available to those who meet the qualifications specified by the donor.

**THE ANONYMOUS SCHOLARSHIP.** This scholarship, in the principal sum of \$5,000, was established in 1952 by an anonymous donor to "aid ambitious young men to obtain an education in law that will fit them for leadership in the community." The income is available annually.

**THE SCHOLARSHIP FOR A GRADUATE FROM A TENNESSEE COLLEGE OR UNIVERSITY.** This scholarship was established to assist outstanding graduates of colleges and universities of the State of Tennessee. Character and scholarship are the primary factors considered in choosing the recipient of this award. The successful applicant may receive his tuition for one academic year.

**METHOD OF APPLYING FOR SCHOLARSHIPS.** Prospective students possessing exceptional achievement records and evidence of financial need should apply directly to Dr. Charles B. Havens, President, Cumberland University, and inform him of their interests and financial requirements. Applicants for scholarships must have been accepted for admission to the Law School by the Dean before the scholarship can be awarded.

**SEVEN CORDELL HULL SERVICE SCHOLARSHIPS.** Service Scholarships have been established in honor of Cordell Hull, one of Cumberland's most distinguished alumni, for the purpose of providing opportunities for worthy students to help themselves through law school by working for their tuition at part-time positions on the University Campus. Recipients of Service Scholarships are assigned as student-assistants in the library, alumni and public relations offices, the printing room, etc. Inquiries about the Service Scholarships should be addressed to President Havens, as in the case of Scholarships above.

# STUDENT HOUSING

Because of the reopening of the College of Arts and Science in September, 1956, changes in the present student housing situation on the Main Campus will be necessary. It is much too early for these modifications to become concretely clear, and for that reason the following general statement in regard to housing for unmarried students of the School of Law must suffice (as will be noted below, there will be no changes in the housing facilities for married students):

UNMARRIED MEN STUDENTS. Unmarried men students of the School of Law will continue to room and board in Tennessee College Hall until the summer of 1956. The cost of room and board for one quarter is \$155.00. This Hall was erected in 1938 and is equipped with modern conveniences in two-room suits, each accommodating four students.

MARRIED STUDENTS. Married students may rent one of the twenty-one apartments in Vetropolis, the University housing project on the Main Campus. These apartments, which rent for \$30.00 monthly, are housed in seven temporary buildings of the regulation military type conventionally found on college campuses.

When the housing plans are complete at the University, appropriate announcements will be made. In the meantime, personal inquiries are welcomed and will be appreciated. All requests for information concerning housing for unmarried students should be addressed to Dr. Charles B. Havens, President, Cumberland University.

ACADEMIC  
REGULATIONS  
AND STANDARDS

## OBJECTIVES

The program of the School of Law seeks to maintain high standards of legal education and thereby to prepare young men and women of intelligence, industry and character, for the practice of law and to provide legal training for those planning to enter business or public service. The aim is to develop the analytical powers of the student, as well as to provide him with a knowledge of legal principles and their historical development, and at the same time to instill in each student a high sense of the ethics of the profession.

## TIME OF ENTRANCE

Beginning students should plan to enter either in the fall quarter beginning in September or the spring quarter beginning in March, because there are more beginning courses at these times. Beginning students desiring to enter in the winter or summer quarters should consult with the Dean to determine whether or not the course schedule will permit their entrance in the quarter desired. Students who transfer from other law schools with the necessary prerequisites may enter the School of Law at the beginning of any quarter.

## METHOD OF INSTRUCTION

The case method of instruction, now employed in all leading American Law Schools, is followed in the Law School. The case books used in the various courses contain carefully organized selections of authoritative and significant opinions of the various courts of the United States and other countries which reveal the law in action and the reasons for its rules. The case method of instruction is supplemented by exercises in drafting various types of legal documents, by individual creative work in a number of the courses, and by Moot Court in which the student becomes acquainted with the more practical aspects of the practice of law.

Students are required to study and brief all assigned cases in each of the courses and to recite in class. Written final examinations are required in all courses at the end of each quarter, except such courses as are not reasonably susceptible thereto.

The laws peculiar to Tennessee are noted in all courses, but, since many of the students come from other states, the course is designed to be sufficiently broad to prepare students for practice in all states.

## MOOT COURT

Three hours of Moot Court are required for graduation since it is felt that this practical supplement to the regular classroom work is invaluable. Under the direction of members of the faculty, students are given special training in the preparation of cases for trial and in the presentation of cases before a trial court consisting of judge and jury. Professor Sam B. Gilreath is the advisor and judge in all Moot Court cases except Federal Moot Court where Professor Bernard B. Bailey is advisor and judge. Students make up the jury.

## COURSE OF STUDY

The course of law requires a period of three academic years or nine quarters of study. By attending two regular school years and three summer sessions it is possible to complete the work required for the degree in two calendar years plus three months.

## UNIT OF CREDIT

The quarter hour is the unit of credit. A quarter hour represents a fifty-minute period of acceptable class work each week for a period of approximately eleven weeks.

## NORMAL CREDIT LOAD

The normal academic load for a student in good standing is thirteen or fourteen hours each quarter. The maximum load that can be undertaken without the explicit permission of the Dean is fifteen hours. At least ten hours must be taken before a student can be classified as full-time.

## EXTRA COURSES

As a general rule no student should attempt to carry more than the normal credit load of thirteen hours. Certain strong students may be allowed, however, to take extra course work. A student becomes eligible to take extra courses for credit only when he has established a quality-point ratio of 3.00 and gained the consent of the Dean. An overload fee of \$1.00 is charged for privilege, and the extra hours cost \$13.00 each.

## GRADES AND REPORTS

1. THE GRADING SYSTEM. Students are graded in their academic achievements according to a system of letter grades. The various letters used in grading and their meanings are listed below.

A—denotes work of finest quality and is earned by a very small percentage of a class.

B—denotes superior work of better than average quality.

C—denotes good work of medium or average quality. Since C is the average grade, it is usually the most frequently assigned of any of the grades.

D—denotes poor work that is definitely inferior to average quality.

F—denotes failure. F indicates that the student's work is not equal to the minimum standard of achievement expected. This is a permanent grade, and the student must repeat the course if he should desire credit in the subject.

I—denotes incompleteness. This is a temporary grade which must be replaced by a permanent one within one quarter's time. If the student does not complete the work within the proper time, the I will be changed to F.

W—indicates that the student has been permitted to withdraw from the course without discredit. A W will be given in any course which the student drops prior to the beginning of the eighth week of the quarter while doing passing work. No voluntary withdrawals are permitted thereafter.

WF—indicates that the student's work was not of passing quality at the time of his withdrawal. This grade is permanent.

The grades A, B, C, D, and F are assigned by the instructors, and they are permanent grades. Once they have been placed on the official record sheet, the instructors cannot change them.

2. THE QUALITY-POINT SYSTEM. To facilitate computation of averages of student's grades, the school assigns numerical values called quality points to certain ones of the letter grades discussed above. These grades and their assigned quality-point values are as follows:

<i>Grade</i>	<i>Quality Points for Each Credit Hour</i>
A	4
B	3
C	2
D	1
F	0
WF	0

The numerical average of student's grades may thus be ascertained by dividing the total number of quality points earned by the total number of hours in which the student has received either a failure or a passing grade. The cumulative average of work transferred from other institutions will be computed on the same basis as work done here.

## REPORT OF GRADES

Generally the report of a student's grades for each quarter is sent to the student personally. Parents who desire reports of the grades of their son or daughter should write directly to the Registrar. Usually the grade reports are not ready until two weeks following the close of a quarter.

## SCHOLASTIC STANDARDS

A first-quarter freshman may be excluded from the school should he fail to make passing marks in at least half of the hours for which he is enrolled.

After the first quarter a student may be excluded if he should fail to pass in any quarter less than 60 per cent of the hours in which he is registered, or should his accumulative standing fall below 1.60 on all work undertaken.

## ATTENDANCE IN CLASS

Regularity and punctuality in class attendance are strictly required. No student may take an examination or receive credit in a course if he has been absent in the course in excess of 20 per cent of the class periods. The Dean and the faculty will consider requests for permission to be absent because of emergency conditions.

## CONDUCT

Students of the School of Law are subject to all the general disciplinary rules of the University, as well as to the regulations of the School of Law. Any student who fails to make of himself a desirable member of the University and allows his conduct or influence to become objectionable and unworthy will be asked to withdraw. Any person who registers in the University agrees to this reserved right.

## DROPPING COURSES

Permission to drop or to change courses must be obtained from the Dean. Permission may be granted in accordance with the following conditions:

1. No change in schedule will be allowed after the first seven calendar days of a quarter.
2. Each course dropped after the seven-day limit must be assigned a permanent grade on the student's official record sheet. If the student's marks are of passing quality at the time he is permitted to withdraw, his grade will be W. If his marks are not of passing quality at the time of withdrawal, his grade will be WF. No voluntary withdrawals are permitted after the beginning of the eighth week.

## WITHDRAWING FROM THE SCHOOL

Students who must withdraw from the School of Law before quarter's end must sign an official withdrawal form in the office of the Dean. Students who withdraw during a quarter without having signed this form will receive grades of F in each of their courses and will experience extreme difficulty in future attempts to be reinstated. Those signing the form will receive grades of W in the courses in which they are passing and WF in which they are failing.

## WOMEN STUDENTS

Cumberland University is a co-educational institution, and women students are welcome in the School of Law.

## EXAMINATIONS

Written examinations are conducted in each course at the end of every quarter. A student must receive a grade of D or above in order

to obtain credit. Regular attendance and satisfactory recitation in class are factors bearing upon the students eligibility to take examinations. Permission to be absent from or to make up a final examination must always be obtained from the Dean.

## MEDALS AND AWARDS

### THE PRESIDENT'S MEDAL

The President's Medal, an honor created by Dr. Charles B. Havens, the fourteenth president of the University, will be awarded for the first time on Graduation Day in June, 1956, and will be awarded annually thereafter to the law student in residence who, in the opinion of the law faculty, most nearly embodies the ideals, principles, and spirit of the School of Law. The recipient will be nominated by the faculty at its regular meeting in May, and candidates will be judged on the basis of their scholastic attainment, personal bearing and integrity, leadership development, moral and ethical conduct, and loyalty to the University.

**AMERICAN JURISPRUDENCE AWARD.** The joint publishers of *American Jurisprudence*, Bancroft-Whitney Company, San Francisco, California, and The Lawyers Co-operative Publishing Company, Rochester, New York, award a specially bound title of *American Jurisprudence* to the student making the highest grade in each of a number of courses covered by titles of *American Jurisprudence*.

**LITTLE, BROWN & COMPANY AWARD.** Little, Brown & Company, Boston, Massachusetts, awards a copy of *An Estate Planner's Handbook* each year to the student making the highest combined average grade in the courses on Trusts and Wills and Administration of Estates.

**THE BOBBS-MERRILL COMPANY, INC., AWARD.** An award of Volume One of the *Tennessee Code Annotated*, containing the Federal and State of Tennessee constitutions, annotations and Court Rules, is awarded annually to the senior student with the highest three-year average who intends to practice in Tennessee. This award is made by The Bobbs-Merrill Company Inc., Indianapolis, Indiana, publishers of the official Tennessee Code.

In addition, The Bobbs-Merrill Company, Inc., annually awards a copy of Clark on *Trusts* to the freshman student with the highest

average in the regular examinations during the freshman year.

**W. H. ANDERSON COMPANY AWARD.** The W. H. Anderson Company, Cincinnati, Ohio, annually awards a copy of Stearn's *Law of Suretyship*, revised by James L. Elder, to the student receiving the highest grade in the course on Suretyship.

**AMERICAN LAW BOOK COMPANY AWARDS.** The American Law Book Company, St. Paul, Minnesota, annually awards volumes for achievement in certain designated courses.

**FOUNDATION PRESS, INC., AWARD.** The Foundation Press, Inc., Brooklyn, New York, awards a copy of *The Federal Courts and the Federal System* to the student receiving the highest grade in the course on Federal Procedure.

## REQUIREMENTS FOR THE DEGREE OF BACHELOR OF LAWS (LL.B.)

Students who have completed 123 quarter hours of acceptable credit with a minimum quality-point ratio of 2.00 (a quality-point ratio of 2.00 being equivalent to an average grade of C) and who have acquired nine quarters of prescribed residence credit will, upon recommendation of the faculty of the School of Law, be granted the degree of Bachelor of Laws. At least 36 quarter hours of acceptable credit must have been earned in residence at the School of Law of Cumberland University. Any other work credited towards a law degree at Cumberland must come by transfer of credit from a law school approved by the American Bar Association.

## HONORS

Candidates for the LL.B. degree who, on the basis of their three-year's record in law school, are ranked in the top ten per cent scholastically of their graduating class may, upon proper recommendation of the faculty, be awarded degrees *cum laude*, *magna cum laude*, or *summa cum laude*. Students who have been admitted with advanced standing from other law schools must have maintained an over-all average grade of B on all transferred credit in order to be eligible for honors.

## RIGHTS RESERVED

The Law School reserves the right to modify the requirements for admission and graduation, to change the arrangement or content of courses, to change the casebooks used, to alter any regulation affecting the student body, and to dismiss or drop from the School any student at any time, if it is deemed in the best interest of the School or the student to do so.

DONORS  
TO  
LAW SCHOOL  
MOVING FUND

Law Alumni and Friends Who Gave to the  
Cumberland University School of Law, Moving Fund  
November, 1955, to March 15, 1956

On January 2, 1956, the School of Law was moved from Memorial Hall on the Main Campus, where it had been located since 1951, back to its historic home on West Main Street. The re-location was the first phase of a course of action which aims at strengthening the School of Law and re-opening the College of Arts and Science in September, 1956. Before the move could be accomplished, Caruthers Hall and the newly acquired Cordell Hull Building had to be re-decorated and the surrounding grounds appropriately groomed. A plea for assistance in the undertaking was issued by President Havens in November, 1955.
